

PIOTR ZANDECKI

Frontend Developer | IT Solutions Consultant | Atlassian Specialist

p.zandecki24@gmail.com | 884 884 235 | Warsaw, Poland | zandeckidev.pl | cv.zandeckidev.pl

PROFILE

Frontend Developer focused on building responsive, clean and production-ready web interfaces using React, Next.js, TypeScript and Tailwind CSS. I combine modern frontend development with IT consulting, Atlassian client projects, IT Operations, network administration and project coordination experience.

SELECTED PROJECTS

Portfolio - zandeckidev.pl

Production personal portfolio presenting frontend projects, case studies, technical direction and the Z-TECH personal brand.

Stack: Next.js, React, TypeScript, Tailwind CSS, Cloudflare

Online CV

Interactive bilingual online CV built as a career book with page-turn navigation, responsive layout and downloadable PDF versions.

Stack: Next.js, React, TypeScript, Tailwind CSS, react-pageflip

Greenhouse House Rental

Production-style rental website concept focused on immersive presentation, responsive layout and conversion-oriented sections.

Stack: Next.js, React, TypeScript, Tailwind CSS

Aurora Beauty Studio

Business website concept for the beauty industry with service presentation, location-based booking flow and refined UX.

Stack: Next.js, React, TypeScript, Tailwind CSS

PROFESSIONAL EXPERIENCE
